RUSSIANS GET EAR OF WASHINGTON

NEW YORK, May 26.—What purports to be a bad state of affairs in Hawaii will be presented before the Washington authorities today, the editor of the New York Russian newspaper, accompanied by two lawyers, being on his way to request the aid of the department of commerce and labor on behalf of the Russian immigrants in Hawaii.

The charge will be made that the Russians have been imported by the Hawaiian planters to become virtually slaves on the sugar plantations. It will be shown that they have been maltreated by the police and are now destitute and unable to do anything to help themselves.

The planters of Hawaii will be charged with having lured the Russians to Hawaii by false representations of conditions and of having imported them in violation of the contract labor laws.

A request will be made that Washington take immediate action to have the immigrants sent back to their homes at the expense of the planters.

INDICTED ON COAST.

SAN FRANCISCO, May 26.—A fish trust has been discovered to exist here, twenty wholesale dealers in fish being indicted yesterday under the antitrust law.

LOVE AND RICHES.

NEW YORK, May 26.—Miss Mary Harriman, only daughter and heiress of the late E. H. Harriman, will be married here today to Charles Cary Rumsey, a sculptor of Cleveland.

SINKS A STEAMER.

NEW YORK, May 26.—The steamer Katahdin was sunk yesterday after being hit by a shell fired from one of the battleships at target practice off Indian Head. The steamer was out of the line of fire according to the directions given and her sinking was the result of a misdirected shot.

AT THE THEATERS

Manager Congdon, of the Park theater, made a great catch yesterday when he found the celebrated Ibsons—four great musical artists—aboard the Manuka on their way to Canada. He induced them to stop over for a short season at the Park, and they will make their first appearance at the popular playhouse this evening. They play eight different musical instruments and are experts on each of them. Miss Minette Rhodes, a catching serio-comic singer, and Carl Wallner, the whistler, will complete a combination seldom seen here. There will be new motion pictures in addition to the big vaudeville bill.

"The Lion and the Mouse" Tonight.

Tonight the popular play, "The Lion and the Mouse" will be the offering of the McRae company.

This play was produced a few weeks ago by this company and met with such success that Mr. McRae was compelled to repeat it. It is full of life and action, and the heart interest is strong. It tells the story of everyday life in any great city and keeps the auditor keyed up to a high pitch, wondering who will win in the battle of wits, the girl or the money king.

Mr. Morrison will be seen in his old part of John Burkett Ryder, the money king, while Miss Hudson will be seen as the girl. Everybody knows the story and knows how interesting it is. Judging from the seat sale, they all want to see it again.

Next week Mr. McRae will present Rose Stahl's greatest success, "The Chorus Lady," with Miss Oswald in the title role.

RUSSIAN BANKING IN THE FAR EAST

The directorate of the new Russo-Asiatic Bank, formed by the amalgamation of the Russo-Chinese Bank and the Banque du Nord, was asked Count Witte, the former Premier, to accept the presidency of the institution.

The financial strength of the banks is in French hands, and this element is pressing strongly for the removal of the Tsar's embargo against Count Witte entering business life, the Tsar's permission being necessary for any member of the Council of the Empire to engage in private commerce. The Tsar refused last year to allow Count Witte to become president of the Russian Bank of Foreign Trade, but there is a possibility that he will now be allowed to accept the post.

The president of the Russo-Asiatic Bank will be the chief personal factor in the Manchurian problem, for the bank has taken over the Eastern Chinese Railroad and other assets created in Manchuria by the Russian government before the Japanese war.—Peking Daily News.

HAS TWO WIVES FOR 26 YEARS

STEEBENVILLE, O., May 7.—The Jefferson county grand jury, which reported 38 indictments, failed to indict Charles Spoonholtz, of Warren town, ship, who had been living with two wives for 26 years, on the ground that he had done a manly duty in supporting the wives and their children.

The case is one of the strangest in the history of Ohio. Spoonholtz married both young women about the same time; then told them what he had done. He promised to take care of both of them if they would be friendly with each other, and not ask who had been married first, or raise other embarrassing questions.

The wives lived in harmony twenty-six years before jealousy cropped out.

HART ESTATE HALF MILLION

The will of the late Judge Hart and petition for probate, were filed yesterday afternoon. Estate is valued at over half a million.

Judge Hart left the bulk of his estate in trust, half of the income, after the deduction of two annuities, to go to the widow, Rebecca Hart, and the other half to his daughters, Mrs. Alice Ida Gay, wife of Francis Gay, and Mrs. May Elston, wife of Charles A. Elston of Redlands, California.

The widow gets \$5000, payable immediately upon his demise; all his jewelry, clothing, art treasures and other household effects in the house in Kapiolani Park; the house and lot in Kapiolani Park.

Everything else is left in trust, the widow and T. Clive Davies being named as the executors. It is provided that they shall pay to L. Wolf Hart, of Makaweli, an annuity of \$900; also an annuity of \$600 to Lizzie V. Hart of London, a widow of the late judge's cousin James Hart.

One-half of the net income of the estate is to be paid to Mrs. Rebecca Hart, widow of deceased, and the other half to the two daughters. Upon the death of the widow the total income is to be paid to the two daughters.

Theo H. Davies & Co. are to remain the agents of the Niuli plantation, but the testator specifies that he wishes the present manager, Robert Hall, to whose honesty and efficiency he pays an especial compliment, retained as manager.

In the codicil the late judge left to his daughter, Mrs. Alice Ida Gay, the land at Waimea, Kauai.

Estate consists of the Niuli mill and plantation, a three-fifths interest in a parcel of land at Ahualoa, Hamakua; a piece of land at Kikialoa, Waimea, Kauai; a lot on Kewalo street, the household lot and dwelling house in Kapiolani Park, furniture and household effects and \$152,808.80 cash.

2,700 BARE ARMS.

PHILADELPHIA, Pa., May 5.—A 17-year-old immigrant suspected of having smallpox caused 2,700 persons to be vaccinated compulsorily on the North German Lloyd steamship Main last night and early today. The Main arrived here yesterday from Bremen with 2,365 immigrants and forty-five

cabin passengers. Three days out from Bremen the boy was suspected of having chickenpox and he was landed Tuesday night at the government quarantine at Reedy Island.

FRENCH TAKING BONDS.

PARIS, May 6.—Morgan, Harjes & Co., have placed Lake Shore railroad notes to the amount of \$10,000,000 here and confirmed the statement that they are about to place \$10,000,000 of "Big Four" bonds. It is also understood that the house is arranging for the sale of \$20,000,000 of the bonds of another railroad. Efforts to place issues by other interests are actively in progress. Included in these latter is another block of the St. Louis and San Francisco railroad's 5 per cent bonds.

New Ocean View Tract

"Isn't life worth living when you can live on such a spot?" This is the remark recently made by a wealthy millionaire while standing on lot 12 in block 108 located in the center of the New Ocean View Tract looking north towards the Waianae mountains resting underneath the silver lined clouds. Then turning to the east he saw Koko Head in its crimson attire dazzling in bits of rainbow and surrounded in leagues of ocean view as far south as Diamond Head rising out of the sea in all its splendor with the golden twilight of the setting sun in the west transforming the heavens into a miracle of colors, he said: This is a wonderful place with its glorious air and health-giving breeze. It matters not how far this spot may be from the car line or what the commercial future of your city may be, I want to buy two lots in this block and build a brown stone bungalow. It is my intention to live here a few months of every year during the balance of my life!

Our fixed prices are \$500 for corner lots, and \$400 for inside lots; size 75ft. x 150ft., or 11,250 square feet each. Our terms are \$50 cash down and \$10 per month on each lot. Call up telephone 659 and make and appointment with one of our representatives.

LIKE GIVING MONEY AWAY

When an absolute stranger, who has traveled the world over and has seen all the best residential districts in large cities, makes such a favorable statement about property selling at only \$500 per lot, we can not help but feel proud of the fact that we are causing our friends to make homesite investments that will be appreciated more and more as the years roll by. Ever since we introduced the New Ocean View Tract to the public we knew, considering the scenery, elevation, climate, prices, etc., etc., that we were offering residential property that would compare favorably with any suburban investment in the United States. Our sales during the past few months, the excellent class of people to whom we have sold, and the favorable impression made upon everyone who has seen our property, is sufficient proof that a record Deed of Sale Agreement for a few lots in the OCEAN VIEW TRACT is far better than any investment you can make. It pleases us to know that our friends are going to be more than satisfied.

The entire Kaimuki District today is the center of home-building activity. There are now thirty-seven new homes under construction. Our sales have reached the enormous sum of \$125,000.00 and out of one hundred and seven purchasers we have thirty-eight who intend to build homes in the New Ocean View Tract just as soon as the new Government Reservoir now under construction and supply pure artesian water and just as soon as we can lay in the water pipes which we have on the property for the purpose. We invite you to call at our office and look over the list of our purchasers and consider the names of those who are going to build and judge for yourself whether or not the New Ocean View Tract will be the coming residential District of Greater Honolulu.
